Supersedes: N/A; Initial SDS

#### (Brand: WestfaliaSurge)

	estfaliaSurge) 1: Chemical Product and Company Identification:	
Material I	Identity:	
Prod	duct Trade Name: ARMOR	
Chem	mical Name: Not applicable, mixture.	
Gene	eric Identification: Iodine based teat dip.	
Company:		
GEA	WestfaliaSurge, Inc.	
1880	0 Country Farm Drive	
Nape	erville, IL 60563 U.S.A.	
Phone Numb	bers:	
EMER	RGENCY: 1-877-741-1032 (24 hours a day, 7 days a week).	
	iness: 1-630-548-8832	
Section 2	2: Hazard Identification:	
GHS Classi	ification: Category 2B EYE DAMAGE/IRRITATION	
GHS Label	Elements:	
Sign	nal Word: Warning Symbol: No Pictogram	
Precaution	nary Statement:	
Prevention	n: Wear protective gloves. Wear eye or face protection. Wash hands	
	thoroughly after handling.	
Response:	If in eyes: Flush with large volumes of water for at least 15 minutes.	
	If Swallowed: DO NOT induce vomiting. Rinse mouth promptly, ther give small amount/glass of water (4-6oz. adult). Ave alcohol. Call a physician immediately. DO NOT give anything by mouth to an unconscious or convulsing	
	person.	
	If on Skin: Flush with large volumes of water for at least 15 min	iute
	while removing contaminated clothing and shoes. If	
	irritation develops and persists, get medical attenti	
	Inhalation of Vapors: If breathing difficulty or irritation occur	
	remove to fresh air. If symptoms persist, get medica	11
	attention.	
Section 3	3: Composition and Information on Ingredients:	
1	ponent CAS Number Percent(Wt/	′Wt)
Iodine Com	mplex(20% minimum titratable iodine) 11096-42-7 1-5	
	ot intended to be a complete compositional disclosure. The criteria	
	listing components in this section are as follows:	
-Car	rcinogens are listed when present at 0.1% or greater.	

-Carcinogens are listed when present at 0.1% or greater. -Components are listed when present at 1% or greater if they are considered hazardous by either OSHA(29CFR), EPA(40CFR), or DOT(49CFR) and if they maintain their chemical identity in this product and/or contribute to the hazards of this product.

Go to Page 2.

### Section 4: First Aid Measures:

- If in Eyes: Flush with large volumes of water for at least 15 minutes. Call a physician immediately.
- If Swallowed: DO NOT induce vomiting. Rinse mouth promptly then give small amount/glass of milk or water (4-6 oz. child/ 10-12 oz. adult). Avoid alcohol. Call a physician immediately. DO NOT give anything by mouth to an unconscious or convulsing person.
- If on Skin: Flush with large volumes of water for at least 15 minutes while removing contaminated clothing and shoes. If irritation develops and persists, get medical attention.
- Inhalation of Vapors: If breathing difficulty or irritation occurs, remove to fresh air. If symptoms persist, get medical attention.
- FOR ASSISTANCE WITH MEDICAL EMERGENCY (24 hours a day, 7 days a week), CALL: 1-877-741-1032

#### Section 5: Fire Fighting Measures:

Flash Point(test method): Not applicable.
Flammable Limits: Upper-not applicable; Lower-not applicable.
Extinguishing Media: Use media appropriate for surrounding material.
Special Fire Fighting Procedures: Where there is potential for exposure, wear
impervious clothing and self-contained breathing apparatus.
Unusual Fire & Explosion Hazards: Material may release iodine vapor when heated.

## Section 6: Accidental Release Measures:

Spill Response: Keep spills out of sewers and open bodies of water. Small spills: Vacuum or mop up then flush spill area with water. Large spills: Dike and contain spill with inert material(sand, earth, etc.). Transfer the liquid and solid separately to containers for recovery or disposal.

Waste Disposal Method: Refer to Section 13.

# Section 7: Handling and Storage:

Handling: Use good industrial hygiene and safety practices(see Section 8).
Storage: Refer to product label and technical literature.
NOTE: Since emptied containers may retain product residue, all hazard
precautions given in this data sheet should be observed.

## Section 8: Exposure Controls / Personal Protection:

These measures det .	and manifely menously middless for boardling this mandust
	ons provide general guidance for handling this product.
	ork environments and material handling practices vary, safety
	be developed by the user(s) of this product. Consult with the
	pplier of your safety equipment in order to determine the
	quipment appropriate for your use/application of this product.
Exposure Guidelines	
-	its for this product: None have been established.
Exposure limi	its for components of this product:
Iodine:	:
(	OSHA PEL: 0.1ppm(1mg/m3), ceiling
	ACGIH TLV: 0.1ppm(1mg/m3), ceiling
Eye Protection:	
	es, goggles, or face shield based on anticipated exposure.
Skin Protection:	
Gloves and p	rotective clothing/equipment as necessary to avoid contact.
	ity and resistance to permeation must be considered.
Respiratory Protect	
	HA approved respiratory protection equipment based on actual
	airborne concentrations. See previous paragraph in this
	erning exposure limits.
Ventilation:	sining exposure limites.
	haust ventilation or other engineering controls to keep
	els below recommended exposure limits.
Section 9: Phys Appearance: Brown	sical and Chemical Properties:
Odor: Iodine.	IIquiu.

Stability: Stable. Hazardous Polymerization: Will not occur. Incompatibility: Reducing agents. Hazardous Decomposition Products: Thermal decomposition may produce toxic vapors/fumes of iodine, organic materials, and oxides of carbon.

# Section 11: Toxicological Information:

No studies have been conducted with this material.

### Section 12: Ecological Information:

No studies have been conducted with this material.

# Section 13: Disposal Considerations:

Dispose of in accordance with all applicable laws and regulations. Consult with appropriate regulatory authorities to determine exact classification of waste.

Go to Page 4.

# Section 14: Transport Information:

	-
Section 15: Regulatory Information:	
Identical to U.S. DOT above.	
International Air Transport Association(IATA) Dangerous Goods Regulations:	
Identical to U.S. DOT above.	
International Maritime Dangerous Goods(IMDG) Code:	
Identical to U.S. DOT above.	
Canadian Transportation of Dangerous Goods(TDG) Regulations:	
Not applicable-not regulated.	
Reportable Quantity(RQ):	
Not applicable-not regulated.	
Proper Shipping Name:	
Not applicable-not regulated.	
Hazard Class:	
U.S. Department of Transportation(DOT)Regulations(49CFR):	

California Proposition 65:

There are no detectable components of this product which are listed substances, or belong to classes of substances, known to the State of California to cause cancer and/or reproductive toxicity. Other: Contact manufacturer if you require further regulatory information.

# Section 16: Other Information:

Reason(s) for revision: N/A; Initial SDS.

Disclaimer:

The information contained herein is based on data available to us and is believed to be correct. Since this information may have been obtained in part from independent laboratories or other sources not under our direct supervision, no representation is made that the information is accurate, reliable, complete or representative and Buyer may rely thereon only at Buyer's risk. We make no guarantee that the health and safety precautions we have suggested will be adequate for all individuals and/or situations involving its handling and use. No warranty is expressed or implied regarding the accuracy of these data or the results to be obtained from the use thereof.

We make no guarantee or warranty of any kind that the use or disposal of this product is in compliance with all federal, state or local laws. It is the obligation of each user of the product mentioned herein to determine and comply with the requirements of all applicable statutes.

Vendor assumes no responsibility for injury to vendee or third person proximately caused by the material if reasonable safety procedures are not adhered to as stipulated in this data sheet.

#### End of SDS.
