

Job Summary

Conestogo Agri Systems Inc., a progressive company, is seeking the right qualified individual to join our Installation/Service team, who is organized, self-motivated, and has the ability to adapt to new technologies in the dairy industry. This position offers variety and continual learning opportunities. The successful applicant must possess excellent customer relations skills and will become one of our experts in the milking robot service and installation department, being familiar with all types of milking and dairy equipment.

This position requires computer software skills, as well as electrical knowledge and experience. Previous dairy equipment experience is preferred. A farming or agriculture background would be considered an asset. With the support of your fellow service technicians, our goal is for you to be able to hit the ground running with the installation, troubleshooting, and preventative maintenance on robotic milking equipment. This role will also include training to work in all areas of dairy equipment service and maintenance.

Location: Drayton, ON

Based out of our location north of Drayton, the successful candidate will be working closely with the Service/Installation Manager and existing personnel.

Role Responsibilities:

- Work on a team and independently from a mobile location
- Installation & commissioning of robotic dairy equipment
- Set up & configure the internal networks used by the equipment
- Provide scheduled maintenance of robotic dairy equipment
- Train customers in the operation of robotic & automated dairy equipment.
- Troubleshoot & provide customer support of existing installations.
- Be available to fit into our on-call rotation throughout the year.

Required Professional Knowledge, Skills and Qualifications:

- Service, installation and maintenance experience with robotic dairy milking systems and components
- Aware of all codes and safety regulations
- Technical trouble-shooting skills
- Strong electrical knowledge
- Computer network setup/service experience is an asset
- Driver's license in good standing
- No lifting restrictions
- Must possess excellent written and verbal communication skills

Compensation packages include a group benefit plan and an RRSP plan. Check out our website to learn more about what we do.

If you are interested, please email your resume to info@conestogoagri.ca

We thank all applicants for their interest, however, only those selected for an interview will be contacted.

Job Type: Full-time

Experience:

- Computer Operating: 1 year (Preferred)
- Electrical: 1 year (Preferred)
- Service technician: 1 year (Preferred)
